Wine List Key

Local L	Wines produced within a 30 mile radius of 1906 minimizing our carbon footprint.
Sustainable S	Wine made from grape-growing and winemaking practices that are environmentally sound, socially equitable, and economically feasible.
Organic O	Wines produced from grapes grown without the use of chemical fertilizers, pesticides, fungicides, and herbicides.
Biodynamic B	Ancient farming and wine making techniques are used to optimize the health of the vineyard often leading to a greater expression of terroir.
